Preface

In these troubled times the need for education among the youth of America becomes more evident than ever before. In realizing this fact, however, the United States has not been idle. New schools which are being built everywhere in the country assure us that educational facilities are not being disregarded, but that they are definitely being improved to insure safety and security for the United States in the future. Charlottesville has been no exception. It has provided the students with a magnificent new high school building.

After attending this new school with its stately structure, its beautiful interior, and its modern equipment, within a few months the students have become justly proud of it.

And so in selecting a theme for the 1941 CHAIN, the staff finds new Lane High School—the building and its students—a most appropriate subject.

JUNIOR HIGH SCHOOL

With the opening of the new high school last fall, a new five year plan was introduced to include a junior high school. This section, known to many as the "eighth grade," has been planned to smooth out the gap between grammar school and high school by using new methods of instruction as well as new materials.

In this organization, democracy is the keynote. Pupils help make and execute plans. They learn what freedom and independence means; yet, they learn how to cooperate with their fellow students. They learn to assume responsibility, develop initiative, and are led to make intelligent choices.

Pupils in this junior high school are under the tutorial guidance of a special group of teachers who make thorough studies of each child. Through tests, the student's mental and physical traits, aptitudes, health, abilities and interests are noted. With such information and individual interest, the teachers are able to help in the planning of the students' courses in senior high school as well as his vocation after graduation.

THE CHAIN

"Let's get to work!"

"Where are my write-ups?"

"This typewriter's broken, Mr. Gresham."

"Have you gotten those pictures from Mr. Ritchie yet?"

"How do you like this idea?"

"We can't have that. It would cost too much."

"Why haven't they had their pictures retaken yet?"

Foster B. Gresham and Miss Gladys Schuder, sponsors of the CHAIN, certainly have a time of it. Editor Billy Meade can't get his staff to work. The art staff can't even draw straight lines with a ruler. Typists gather in a corner to gossip and no one can find the advertising staff. "Write-up" authors struggle in February to predict realistically events that won't occur until April and May. Editorial assistants labor to keep the "dummy" straight. Faculty members never seem to remember to bring their pictures and some Seniors don't turn in a directory card until the last minute. Even the photographers join the anti-CHAIN conspiracy and delay pictures a couple of days.

Finally, it's all over, the last Senior picture in, the last page typed, the last club picture identified. With a sigh of relief, the staff takes it easy until "the book" comes back from the printers.

Although there was a lot of work for everyone we all enjoyed it even though at times it looked as if no one would ever get his section completed.

The staff has taken great pleasure in preparing the annual this year and hopes that the school will enjoy an equal pleasure in reading it.

STAFF IN ACTION

STUDENT COUNCIL

JOHN DAVIS.....*President*

JACK MURRAY.....*Vice-President*

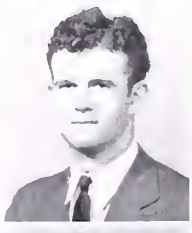
JOYCE BLUME.....*Secretary*

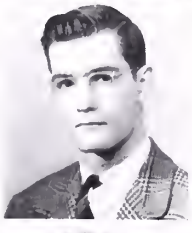
CHARLES HAMM.....*Treasurer*

John Davis and Jack Murray were the first president and vice-president, respectively, of the Council under the new system of having the heads of the Student Council elected by the student body.

The Council, at the beginning of the year, drew up a set of regulations governing conduct of the student body, at recess, in the cafeteria, on the halls, and in assembly. These rules have been added to throughout the year and now regulate smoking and dances sponsored by school organizations.

In May new officers were selected from nominees of each of the three classes, after a spirited campaign. These nominees were each supported by one of the classes, other than the Junior class, from which, by constitutional amendment, the candidates were chosen.





"C" CLUB

WINKS PONTON.....*President*

OPIE THOMAS.....*Vice-President*

EARL BARNETT.....*Secretary*

DONALD KING.....*Treasurer*

"C" Club membership is very exclusive, being limited to boys winning their letter in varsity football, basketball, and boxing.

This organization contributes extensively to the pleasure of Lane's student body, for not only do its members "star" in athletics, but the initiation of the new members is one of the most hilarious spectacles that could be found anywhere. The "C" Club also sponsored several of the most successful dances of the year.

Harry Martin, Lane's athletic coach, and E. B. Smoot were sponsors. This year "Winks" Ponton was president of the club.

GIRLS' SENIOR HI-Y

CORNELIA THOMASSON.....*President*

JEAN SADLER.....*Vice-President*

RETA MILLER.....*Secretary*

THELMA ELLIOTT.....*Treasurer*

President Cornelia Thomasson has led a very active year of Hi-Y work, with the assistance of Miss Lillian Butt and Mrs. Ruth Swartz, sponsors.

This year the organization was especially active in social service work. Each month a needy family in the city was furnished with fuel. A girl was assisted with clothes, books, lunch money, and other necessities. Dolls were dressed and donated to the Mothers Club as Christmas gifts for the less fortunate children in our community.

At Christmas they joined with the Glee Clubs and the Boys' Hi-Y in presenting an assembly. In October the club sent delegates to the state conference in Blacksburg.

Together with the other Hi-Y's, they were hosts to the annual conference of District Four from February 28 to March 2. Their service in securing accomodations for the two hundred delegates was invaluable.

BOYS' SENIOR HI-Y

SAM CLARKE.....*President*

JACK MURRAY.....*Vice-President*

JOHN DAVIS.....*Secretary*

FREDDIE GREAVER.....*Treasurer*

The Boys' Senior Hi-Y is noted for the group's excellent work in distributing to the needy of the city the Christmas baskets which the various homerooms have donated.

The club furnished several excellent speakers at the Hi-Y assembly presented just before Christmas.

Arrangements for speakers, entertainment, and the banquet at the spring conference of District Four were entirely in the hands of the Boys' Senior Hi-Y president, Sam Clarke, and G. C. Speidel, sponsor of the organization. This matter was handled most effectively, especially the selection of D. D. Holt as the chief speaker at the conference to which the Charlottesville clubs were host.

GIRLS' JUNIOR HI-Y

PATSY EDWARDS.....*President*

ROSALIE DOUGLASS.....*Vice-President*

EVELYN MAHANES.....*Secretary*

HARRIET HULL.....*Treasurer*

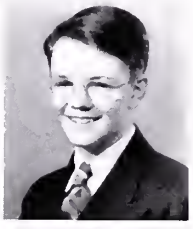
The Girls' Junior Hi-Y has operated this year in close harmony with the Girls' Senior Hi-Y, attending church with that group several times during the school year.

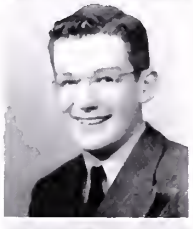
They, too, had delegates to the annual convention in Blacksburg. One of their number, Patsy Edwards, was elected state secretary for the coming year.

The girls assisted with most of the projects of the Girls' Senior Hi-Y, notably the good work with the dressing of dolls for the Mothers Club at Christmas.

Several times during the year the girls raised money by selling candy at booths in the stores along Main Street.

The sponsors of the Girls' Junior Hi-Y are the same as for the Senior group, Miss Lillian Butt and Mrs. Ruth Swartz.





BOYS' JUNIOR HI-Y

JIMMY MILLER.....*President*

DAVID SULFRIDGE.....*Vice-President*

MOJO STEVENS.....*Secretary*

TOM WILSON.....*Treasurer*

Most of the activities of the Boys' Junior Hi-Y have been supplementary to the work of the Boys' Senior Hi-Y. The two groups usually met together and acted together.

Several talks were made on the practicability of certain vocations by business men of the city at the meeting of the Boys' Hi-Y.

In February the Junior Hi-Y gave a party for its members and their guests. It was held in the music room of the school after one of the boxing contests.

The Boys' Junior Hi-Y was founded to extend the work of the Senior Hi-Y and to prepare boys for membership in the Senior organization. Jimmy Miller was president, G. C. Speidel, sponsor.

GIRLS' GLEE CLUB

JEAN LOVING.....*President*

ANN BEST.....*Vice-President*

SARAH ANN BISHOP.....*Secretary*

JEWELL HOUSLEY.....*Treasurer*

This year the big event in Glee Club history was the participation in presenting the biennial operetta, "Harmony Hall," on March 14 by the two clubs. This farce was the story of an old general who had established a home for transient singers and of his problems with a son who was utterly lacking in vocal talent. It was directed by Mrs. E. O. McCue, Jr., Mrs. Catherine Martin, Hebe Ruggieri, and John E. Reitz.

"Harmony Hall," however, was not the only activity of the Glee Club, but also, a choral assembly was presented, in conjunction with the other music-fostering organizations of the school.

The initiations of this group are always most interesting, since the Girls' Glee Club is one of Lane's largest organizations.

BOYS' GLEE CLUB

BRADLEY RUTLEDGE.....*President*

KENNETH BLUME.....*Vice-President*

LEWIS MARTIN.....*Secretary*

JOE SMITH.....*Treasurer*

On the shoulders of the Boys' Glee Club fell the task of supplying all the male characters for "Harmony Hall," the operetta presented by the two glee clubs, and it may be safely said that they did their work extremely well. John E. Reitz had supervision of the masculine rôles in the production.

The boys also contributed magnificently to the musical assembly which was presented last fall.

Interest in Boys' Glee Club initiations centers around the satire that can be incorporated into the feminine garb which all prospective members must affect on a given day of each year.

LUCY T. JONES WRITING CLUB

JOYCE BLUME.....*President*

JEAN SADLER.....*Vice-President*

VIRGINIA GEORGE.....*Secretary*

HOWARD CARPER.....*Treasurer*

The Lucy T. Jones Writing Club was named in honor of the late Dr. Lucy T. Jones, distinguished member of Lane's faculty, who died last fall.

In Article II of the constitution of the club, its purpose is defined as "To promote creative writing at Lane High School and to develop such ability in students."

The membership is limited to twenty-five, and members are elected to fill vacancies from a group recommended by the various English teachers as outstanding in composition.

Their success has been notable, for they have, to a large extent, replaced the staff of the *Bumble Bee*, Lane's magazine, which Miss Lucy T. Jones had sponsored for a number of years.

ART CLUB

CHARLOTTE STAPLES.....*President*

FAYE KNIGHT.....*Vice-President*

HELEN DUDLEY.....*Secretary*

KITTY JOHNSON.....*Treasurer*

Under the direction of Miss Ada Lee Berrey, sponsor, and Charlotte Staples, president, the Art Club of Lane High School has continued to try to increase the appreciation of art among the students of Lane High.

Posters were prepared on several occasions for display on the various bulletin boards about the school.

This year a Graphic Arts Club was organized by J. L. Sauder. We regret, however, that this was done too late for the group to have a section in the CHAIN. Next year, it is hoped, the club will have a separate picture and write-ups, as most of Lane's organizations do.

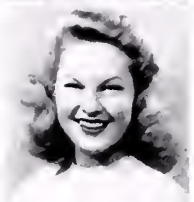
PLAYERS CLUB

RETA MILLER.....*President*

CAROLYN MAINFORT.....*Vice-President*

JIMMY HAGEMAN.....*Secretary*

PATSY DAVIS.....*Treasurer*



This past year has been a most successful one for Lane's dramatic organization, the Players Club.

In order to take full advantage of the excellent stage and lighting facilities which were available for the first time this year, a series of monthly night programs was inaugurated. To each of these, one of Lane's classes was invited. The programs of these meetings afforded training in dramatics for both old and new members of the club and gave the new members an opportunity to participate in the activities of the club. This latter was one of the requirements for admission under the new rules adopted last fall.

"The Ghost Flies South," first annual production to be staged in the new auditorium, was presented most successfully on December 5 and 6. Reta Miller, president of the club, played a very outstanding and most convincing part as an eighty year old, absent-minded lady.

Most of the spring work was devoted to preparing an entry in the annual one-act play contest of the Virginia Literary and Athletic League.

SPELLING CLUB

CHARLES HAMM.....*President*

DOROTHY ECKFORD.....*Vice-President*

FRANCES BENDER.....*Secretary*

LYTELLE MILLER.....*Treasurer*

The chief activity of the Spelling Club was the weekly contests over radio station WCHV, conducted by the club's sponsor, Miss Natalie Holladay. This year the contestants did not confine themselves to actual spelling of words, but considered derivations, Greek and Latin prefixes, and foreign words, as well.

In these contests, the club was divided into two teams. A record of the points made by each was kept and the losers gave the victors a party at the end of the series.

Members of the club are exempt from the usual spelling activities of the various homerooms and take their own test on the third Thursday of each month.

Charles Hamm has served as president during the past year.

USHERS CLUB

Davis

JOHN DAVIS.....*President*

H. H. WALKER.....*Sponsor*

Organized three years ago to cope with disorder in the halls between periods, the Ushers Club has made tremendous gains in the intervening years. Now it not only supervises traffic in the halls, but also controls the lunch room and furnishes trained ushers for the many community events which meet in Lane's auditorium.

Since these ushers are the members of the student body who most often come in contact with the public, their selection is a matter of great care. First a list of volunteers is compiled; then a committee from the Student Council investigates the record of these volunteers and recommends, perhaps twenty of them. From this group, the council selects twelve ushers and their alternatives.

This year the Ushers Club performed its first great task by efficiently organizing traffic in the corridors of the new building.

At the Powell Concert and at the Community Concerts the courtesy and efficiency of the Ushers Club evoked many favorable comments.

The president and vice-president of the Student Council are ex-officio officers of the Ushers Club. H. H. Walker is the sponsor of the group.

Its work was a source of great pleasure to the student body throughout the term. Collaborating with the Glee Clubs and choral classes the choir presented one of the most entertaining assemblies of the year. It also entertained with several numbers on various other programs.

The group was unable to participate in its entirety in the Virginia High School Music Festival on the week-end of April 3, but Frances Clinch was entered as soloist in the competition.

This year the *Midway Student* became definitely and permanently a six page publication. Its staff consisted chiefly of students in the journalism class and, to be a member of the staff, that class is a required subject. Operation of the paper was in the hands of two managing editors most of the year, but Mildred Sadler was appointed editor-in-chief during the last term. The staff did a most capable job of "covering" events, not only at school, but those around town that affected the school.

The paper has featured several columns, among the best being the front page "Along the Corridor" and "Know Your Teacher." The sport page was exceptional, and its editors deserve a great deal of credit.

The *Midway Student* has definitely been an asset to the school during the past year, and its staff deserves the full support of the student body during the coming year.

VARSITY FOOTBALL

RESUMÉ

LANE—WOODBERRY FOREST

The Varsity squad began a rather unsuccessful season of eight losses and one victory by a 26-0 defeat from Woodberry Forest, on September 28 at Woodberry Forest. The first quarter was close with both teams feeling their way; but with the opening of the second quarter Sammy Fray, Woodberry's triple threat back, took the ball on his own 20 and ran 80 yards for a touchdown. From then on it was Woodberry and Sammy Fray, who scored three touchdowns in the last half. Lane's only threat came on an intercepted pass by Shorty Long, who ran to Woodberry's 25. But all hopes were dashed when Woodberry retaliated by intercepting on the next play.

LANE—FREDERICKSBURG

The first home game was a success as far as the spectators were concerned even if the team did lose 13-0, for it was a hard-fought and exciting game. The opposing stars for the game were "Bubbles" Baker of Fredericksburg and Eddie Campbell of Lane. Baker was the guiding light of the strong powerhouse from Fredericksburg and did most of the running. Opie Thomas and Bob Kindred played good defensive ball in this game as they did all season. Clay Chisholm after a hard fought game was carried off in the third quarter with a shattered kneecap.

LANE—SALEM

The second night game of Lane's history was the occasion Friday, October 19, in Salem, where the team suffered at the hands of Salem High School to the tune of 33-0. Little is to be said of Lane's offense which never got going in this game. The Salem wave scored at will in all four periods and scored most of the extra points kicked by Haskins, but Barnett blocked the fourth try.

LANE—NEWPORT NEWS

Lane's fourth straight loss, this time to the golden typhoon of Newport News by a score of 34-0, was marked by its fumbles and previous injuries to key

men. The "big wind" scored early in the first quarter by blocking a punt by Townsend which rolled out of the end-zone, giving them two points. Five touchdowns in the next three quarters, with two extra points, made it Newport News' game. Lane threatened once when Townsend completed three passes in succession, two to Kindred, and brought the ball to the Typhoon's 15-yard line. But they quickly dug in and stopped the only serious threat of the game.

LANE—DANVILLE

Lane again lost October 26 at Venable Field, but the game was a promise of things to come, for they put up a stiff resistance and showed some of the spirit that was to come to the fore during the last of the season. The first half of this game was fought on even terms with only one score. This was set up by a poor kick of Lane's which bounded out on their own 12. Dix of Danville quickly converted this break into statistics, and with a pass and a line buck made the score. The less said about the second half the better, for Danville ran wild and chalked up a total of 28 points.

LANE—ALEXANDRIA

November 2 was a banner day for football fans of Lane, for we finally scored. With a long pass from Townsend to Kindred which brought them to the Alexandria 15-yard line, Lane regained courage and plunged it to the 4. Shorty Long took it to the goal line on the next play and fumbled, but Townsend was quickly on the ball for the touchdown. Greatly encouraged by this turn, the Orange Wave fought valiantly the rest of the game. Although the score was tied up in the second half, Lane out-played George Washington and only let them score again when a blocked ball fell into the hands of an alert Alexandria man, Bourn, on their own 15. The try for extra point was blocked and the game ended with a 12-6 score.

LANE—THOMAS JEFFERSON

On November 8 the third straight home game was played at Venable Field against T. J. of Richmond, and although defeated by a superior foe, the Lane eleven led by Bob Kindred showed their mettle in the most satisfactory game of the season. Bob broke away for a fifty-yard gallop in the second half to set up Lane's only touchdown which was carried over from the eight-yard line by Eddie Campbell. Townsend completed an appreciable number of passes to Campbell, Kindred, and Long during the second half when the Lane offense started clicking. But the powerful Richmond machine rolled up two tallies in the first half and one in the last to win a 20-7 victory.

LANE—SHENANDOAH

The second team got a workout the following week when Lane beat Shenandoah 14-6. Starting a second string line and two substitute backs, the team held up remarkably well; notably the line. The offense as usual centered around Campbell and Kindred, but Curtis Kirby, Eugene Brown, and Harry Atkins played good games in the backfield. Atkins ran well behind good interference for Lane's final score. Eddie Campbell and Bob Kindred averaged better than five yards each time they carried the ball.

LANE—LYNCHBURG

Playing on even terms until the last quarter Lane lost a close game to Glass High of Lynchburg 13-7. Leading until the final frame 7-6, Lane had hopes of winning and certainly deserved it as they had played hard for three quarters. But Glass upset the apple-cart by some tricky reverses and razzle-dazzle in the closing minutes and pushed over from the two after a long run by Blanks which set up the score. The Lane tally was made by Brown who intercepted a pass on the 40 and ran over, standing up. Long bucked the line for the extra point. Much of the credit for this game is due Jimmy Kardos, who played the game of his life at end, and Gianakos, who did some fine blocking.

The season was characterized by hard-fought battles with superior foes, and the team's showing was altogether satisfactory. In the line Fully Holland, Earl Barnett, Opie Thomas, John Gianakos, and Jimmy Kardos were outstanding. They played hard and well all season, and Lane can be proud of them. Also deserving recognition are Sam Clarke, Donald King, Charles Hamm, and Allen Lacy, the last two of whom were not regulars but filled their positions well when needed. In the backfield Bob Kindred, a junior, consistently played brilliant football; Eddie Campbell came close behind with his ever reliable game; and "Shorty" Long, Billy Watson, and Eugene Brown could always be counted upon to come thru in fine style. Last, but certainly not least, was Dan Townsend, who with his long kicks brought Lane out of so many tight spots. Ed Strickler also made some fine kickoffs.

RESUMÉ

Lane's 1940-41 Girls' Basketball team has achieved much of the success that it determined in the fall to attain. In a schedule of ten games the girls had seven victories.

At least a part of this success has been due to the fact that the players had a new gymnasium, spacious and well equipped. What a joy it was to be able to practice right at the school at any time convenient for the players and coach! How nice not to have to carry one's uniform to school every day, crowd it in the corner of a desk and carry it back home again! Lockers in the dressing room, showers and three large mirrors added much to the pleasure, as well as to the comfort,of the team. Comfortable seats and adequate parking space increased the number of spectators. Their cheering seemed to spur the girls on to victory.

The squad was led through the season by Captain Imogene Marshall, who was elected early in the fall. A co-captain was appointed for every game, thus adding a sense of responsibility to each of the individual players.

A new playing field is a challenge to any team. The Lane girls responded to this challenge on the evening of November 5 by defeating Scottsville High School 23-9 in the first game in the new gym. Every player did exceedingly well. Ann Best was high scorer for the day.

The second game was a fast, hard fought one, but Lane had to bow to her opponents from Fluvanna. The final score of the game was 36-23.

Spurred on by one defeat, the Lane sextet was ready for Meriwether Lewis on November 18 and beat them 26-9. Marshall played a very outstanding game and the guards did some excellent passing. Every member of the squad participated in the game.

The girls went to Fluvanna on November 29 hoping for success in the return game with this team, but again they went down in defeat 35-25. It was some consolation to know that this good team, which was closing its season, had not lost a game.

BASKETBALL

In the McIntire Gymnasium, on December 12, the Lane squad triumphed again. The first team did not play much of the game, but the score ended 25-15. Some of the girls tried out new positions.

On December 18 the girls played hostess again, this time to Earlysville High School. This game was a very interesting one. Again the Laneites were victorious, with a score of 21-11. The passing and footwork of the forwards was outstanding. Again the guards gave a fine example of their ability. This was the last game before Christmas.

After a little rest the squad was back in trim, waiting for Waynesboro on January 30. Because of the excellent playing of the whole team, the final score was 27-19 in favor of the home players.

On the afternoon of February 15 the girls rode away to Farmville. They went through Hampden-Sydney and Farmville State Teachers College. That night the girls played one of their most outstanding games. It was the most enjoyable game of the season for the players. The final whistle found the visitors, Lane, had won by a score of 18-16. Chisholm made the last goal, which determined the winner.

The next week-end the team took another trip. This time they went to Waynesboro. Not quite so fortunate as they were in their last encounter with this school, Lane lost 22-19. The game was a very good one, the guards doing some excellent playing.

On February 28 both Lane teams went to Fredericksburg for their last scheduled games. The girls played their very best in order to finish the season with flying colors. Although the game was close, the teamwork of the Lane sextet won out in the end, 20-16.

The Independents, a city team, wanted to play the high school squad; so a game was arranged in the Lane High Gymnasium. Their team was made up mostly of Lane alumnæ, but the younger girls proved to have the fastest and best team. The score was 38-19.

Many of the girls on the team are seniors this year, and their playing will be greatly missed next session. Those on the first string that will not be back are Thelma Chisholm and Eleanor Wade. Nancy O'Neill, Marguerite Stahl, Thelma Elliott, Ruth Florence, and Royce Pace will all be missed by next year's team.

The Junior basketball team had a very successful season, winning every game.

The first game was played against McIntire High School on November 27, ending with a 26-18 victory for the Laneites. The guarding was excellent and the forwards shot well.

On January 30 this sextet defeated Waynesboro 30-9 on the local court. The whole team played very well but the shooting of Pace and Thomasson was most outstanding.

Determined to win again, these girls went to Waynesboro on February 20. The score was 20-11. Again the guards played an excellent game and the forwards did some beautiful passing and shooting.

LAST MINUTE HAPPENINGS AT LANE

Since the main body of the CHAIN went to press in April, several events of importance have occurred at Lane. With graduation right around the corner, the closing months of school have been packed with a seemingly endless number of extra-curricular activities.

Under the leadership of W. I. Nickels and J. E. Reitz, a science club was organized with Walter Brown as president. This club is affiliated with the Junior Academy of Science of America. Several delegates attended a district meeting of this group in Richmond, at which Walter Brown read a paper entitled "The Chemistry of Photography."

The Hi-Y Club gave its annual best girl dance which was preceded by the traditional banquet. The dance was one of the best of the year and was attended by a large number of students. Music was furnished by Eddie Branner and his Orchestra, a smooth band hailing from Broadway, Virginia.

Along the athletic line, spring sports became prominent. A golf team was organized under the leadership of Mr. Martin, director of Physical Education. Buddy Loving, a member of the golf team, distinguished himself in the state tournament. The tennis team, coached by Mr. Smoot, had regular matches with neighboring schools. Softball and horse-shoe pitching became popular both in the gym classes and at recesses.

In recent contests, Lane took its share of the honors. In the annual Latin Tournament, both Allison Dovel and Dorothy Eckford won honorable mention. In the V.L.A.L. contests held at the University of Virginia, Irwin Kavesh took first place in the state for his fine public speaking. A one-act play, "'Op o' Me Thumb," received honorable mention in the dramatic contest.

The Senior Play was presented with a bang, and was a big hit. The play chosen this year was "Seven Sisters," a farce-comedy in three acts. The set and stage layout was especially well arranged, supplemented by beautiful curtains and modern lighting equipment.

The final exams loomed as a huge black cloud ahead, finally appeared and lasted for a week, and slipped into the past. The Senior picnic was held in the meantime, and after exams came the Senior dances and banquet. The baccalaureate sermon prefixed graduation exercises in the auditorium of the school. Many students made the traditional trip over Afton mountain.
